---

## Certifications | Internships

---

### Geekster | Geekster Coding Bootcamp

- Successfully tackled over 150+ javascript Coding questions on the freecodecamp
- Actively participated in multiple coding contests and practice tests.
- Acquired proficiency in multiple technical stacks, including Html,Css JavaScript, React.js & Bootstrap.

---

## Projects

---

### Movie Ticket Website [[Link](#)][[Code](#)]

- Have developed a user-friendly website that allows you to effortlessly book tickets, while also providing real-time updates on the number of occupied and available seats, ensuring a seamless and convenient booking experience.
- Implementation of Html ,Css & Javascript in that i used local storage.
- Tech Stack: JavaScript Bootstrap HTML and CSS

### Pizza Ordering Website [[Link](#)][[Code](#)]

- Developing a pizza order app that enables users to place pizza orders, provides login functionality, and offers a visual display of delicious pizzas using API calls
- For implementing my pizza order app, I leveraged the power of React.js, utilizing essential tools like react-router-do for smooth navigation, Context API for state management, and key hooks like useState and useEffect to enhance functionality and user experience.
- Tech stack : React.js

### Urban Facility Management[[Link](#)][[Code](#)]

- Created 'Urban Facility Management,' a comprehensive website featuring sections for contacts, services, about, and projects, including urban services.
- Implementation of React.js for seamless navigation and routing, enhanced with CSS for a polished user experience.
- Tech stack : React.js

---

## Skills

---

- **Technical Skills** : HTML , CSS , JavaScript
- **Frameworks / Libraries** : ReactJS, Bootstrap,Redux,Routing
- **Tools & Technologies** : Git, VS code

---

## Education

---

Year	Degree/Examination	Institution/ Board	Percentage
2022	B.Tech in ECE	St.Marys group of institutions hyderabad	6.4 CGPA
2018	12th	sri chaitanya junior college	59.0
2016	10th	St.Basweshwara High School	7.0 CGPA

---

## Achievements and Co-Curricular Activities

- Energetically engaged in the 2018 Hyderabad Marathon, showcasing a determined spirit and embracing the exhilarating challenge of the run.
- Actively embraced and nurtured a profound passion for cricket during college, dedicating myself to the sport and fostering a strong connection with the game.
